Schedule Swap

Work in pairs. Use the present progressive and a future time expression in every sentence.

Step 1

Ask your partner about their week: *What are you doing on Tuesday morning? Who are you meeting after class on Monday? What's happening on Friday?*

Step 2

Write your partner's 5 fixed plans in the grid. Example: *He is meeting his advisor on Tuesday morning.*

Step 3

Read your sentences to your partner. Check: Does every sentence have **am/is/are**, a verb with **-ing**, and a future time expression?
